

Silver (Lake County)
Florida LAKEWATCH Bathymetric Map

Florida LAKEWATCH personnel created this map using differentially corrected global positioning equipment (GPS). Data were collected August 3, 2005. Scale and map contours are in feet and were generated using kriging technique in Surfer[®] software package (Golden CO). The center of the lake is located at Latitude 28°50'13" and Longitude 81°48'15". On this date, the lake surface area was calculated at 433 acres (175 hectares) and the lake level was estimated at 72.67 feet MSL. This is only an approximate bathymetric map and should not be used for navigation.
