

Florida LAKEWATCH personnel created this map using differentially corrected global positioning equipment (GPS). Data were collected June 21, 2000. Map contours and map scale are in feet and were generated using kriging technique in Surfer® software package (Golden CO). The center of the lake is located at Latitude 30°36'2" and Longitude 84°14'15". On this date, the lake surface area was calculated at 44 acres (18 hectares). This is only an approximate bathymetric map and should not be used for navigation.¹

¹Map revised with new gridding procedures 1/21/04.
