

**Bradford, Hiawatha, Minnehaha (Leon County)  
Florida LAKEWATCH Bathymetric Map**

Florida LAKEWATCH personnel created this map using differentially corrected global positioning equipment (GPS). Data were collected June 29, 1999. Scale and map contours are in feet and were generated using kriging technique in Surfer® software package (Golden CO). On this date, the total surface area of all three lakes was calculated at 229 acres (93 hectares). This is only an approximate bathymetric map and should not be used for navigation.<sup>1</sup>

<sup>1</sup>Map revised with new gridding procedures 2/10/05.
